A resolution asking all Louisville ministers who had not taken part in the campaign to attend the sessions, was passed. ## Injunctions Filed.

Federal Judge Taft decided at Cincinnati Wednesday that the Federal Court had no jurisdiction to issue an order to restrain the Contest Board from deciding the contests for State offices in Kentucky. The Democrats are greatly elated over the decision. The Contest Board met yesterday in Frankfort. Wednesday afternoon Democratic attorneys filed a petition in the Franklin Circuit Court to enjoin William S. Taylor and John Marshall from performing any of the duties of Governor and Lieutenant Governor of Kentucky. The petition was filed by Judge Pryor and Messrs. Kohn, McQuown, Scott and Hendrick. Today a motion will be made before Judge Cantrell, at Georgetown, asking that the two Republican claimants be enjoined.

At Louisville Wednesday Republican attorneys filed a petition in the Jefferson Circuit Court to restrain Gov. J. C. W. Beckham from attempting to perform any of the functions of the office of Governor of Kentucky, and Gen. John B. Castleman from attempting to perform any of the duties of Adjutant General.

AUDITOR SWEENEY has decided not to pay the salaries of the Democratic or Republican members of the Legislature until the final decision as to whom is entitled to the office is rendered. He would probably be held personally responsible in case of a mistake.

## Interest You.

You often hear of buying goods at

## YOUR OWN PRICE,

but you seldom see the opportunity. Now, I am really going to give you a chance to buy a set of furniture at YOUR OWN PRICE. On Monday, February 12th, I placed on exhibit in my show window a handsome Oak Set of Furniture, the real value of which is \$65. Now, this is what any dealer would ask you for this Set of Furniture, and it is a good value. On Tuesday the price of this suite will be \$64, Wednesday \$63 and \$1 less for each day it remains in the window, and it will remain there until the price goes to one dollar, unless some one buys before then. You can buy any time the price suits you, provided the other fellow don't beat you to it. Of course, you may want too good a thing and wait too long, but, of course, that will be your fault. Remember every dollar under \$65 is a dollar made.
